

## SOCIAL MEDIA MARKETING

**R1700.00**

### COURSE OVERVIEW

**Social media** is a new way to use the web. It's a trendy term to describe a new kind of mass media. It involves both listening, and talking. Blogging, tweeting, 'friend request' and fan pages. The lexicon of the modern world. Twitter is all the rage. **Facebook has over 1 billion users.** Anyone that has a product or service must be on these social channels.

Our **Social Media Marketing course** will teach you how to create all the accounts, how to **customise different pages** and how to fully **take advantage of these social networks.** You will learn how to integrate the different feeds into your or your clients websites. Being able to **build custom Facebook pages** is a well sought after skill.

### WHO IS THIS COURSE FOR?

Anyone interested in **learning how to market any business using social network websites.** Web Designers that want to **offer social network marketing as a service.** Business owners that wants to manage their own social identities. Anyone wanting to **learn Social Media Marketing.**
